**NOTE** If you choose to ski or ride Cannon Mountain/Mittersill glades, please be aware of the following:

- These trails present additional unique risks inherent in woods skiing and riding.
- Only upper-level expert skiers and riders should attempt this difficult terrain.
- You should only attempt these trails if you are willing to fully accept all risk of injury and/or death that may result.
- These trails are not maintained and trail areas are not defined.
- Rescue into this area will likely be delayed due to the unique nature of the area.
- Please respect closed ropes and closed trail designations. Stay on open trails only. Skiing/riding on closed terrain can result in a loss of privileges.

**BE AWARE** grooming & snowmaking routinely in progress

**Your Responsibility Code**

Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware of elements of risk in skiing which personal awareness and common sense can help reduce can help reduce. Observe the following code and share with other skiers the responsibility for a great skiing experience.

**Know the Code—It's Your Responsibility.**

(This is a partial list; be safety conscious. Officially endorsed by the National Ski Areas Association.)

- Always stay in control. You must be able to stop or avoid people or objects.
- People ahead or downhill of you have the right-of-way. You must avoid them.
- Stop only where you are visible from above and do not restrict traffic.
- Look uphill and avoid others before starting downhill or entering a trail.
- You must prevent runaway equipment.
- Read and obey all signs, warnings, and hazard markings.
